## “Wake me when the trip is over.”

Goofy wants to spend time with his son, Max. So he decides to take him on a fishing trip. Adventure in the great outdoors.... All that fresh air.... What could be better?

A fishing trip with his dad isn't exactly Max's idea of fun. He knows that it could be a disaster—especially since everything

Goofy does turns out wrong. And with all that nature, something bad is *sure* to happen. What could be worse?

But neither of them knows just how strange the trip will be. What with the side trips to Lester's Possum Park and a run-in with Big Foot, anything can happen. And it probably will when Goofy and Max hit the road.
